

Junior and Senior Infant Virtual School Tour

Friday 19th June

Aquarium of the Pacific

Mrs Murphy and Ms Devine have prepared a Virtual School Tour to the Aquarium of the Pacific. All you need to do is click on the links below to take you around the Aquarium. At various points we have attached worksheets and added some additional activities at the end. We hope the children enjoy it. Remember to give feedback using Seesaw.

Follow the links below:

- First, we begin with the Penguins, this link brings you to the underwater webcam. Watch the penguins swim and dive.
